REQUEST FOR APPROVAL OF DRAWING CHANGES UNDER 37 C.F.R. §1.121

Box Non-Fee Amendment
Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir/Madam:

Pursuant to 37 C.F.R. § 1.121(d), it is respectfully requested that the changes shown in red on the attached drawings be approved by the Examiner in the above-referenced case. As shown in Fig. 3 of the attached drawings, please change reference numbers 13', 37', 39' and 41' to reference numbers 13, 37, 39 and 41, respectively. Support for these changes may be found, for example, on pages 9-11 in the Specification, in which different configurations for field lens group 15 are discussed. As stated in the accompanying Office Action Response in the Remarks sections under the heading of Drawings Changes, these changes are submitted for clarification and consistency with the Specification and, thus, do not present new matter.

If the Examiner has any questions, comments, or suggestions, the undersigned earnestly requests a telephone conference. The Commissioner is authorized to charge any fees, which may be required, or credit any overpayment, to Conley Rose, P.C. Deposit Account No. 03-2769/5589-00807.

Respectfully submitted,

Mollie E. Hamel
